

Strategic Action Planning Group on Aging – Strategic Planning Framework on Focus Areas

Mission: We exist to produce a comprehensive strategic action plan on aging, in order to prepare our state for the wide-ranging effects of the demographic shift in Colorado’s older adult population,
so that all Coloradans will age with dignity and a maximum quality of life.

Vision: Colorado will be a place where all residents can maintain a healthy, mobile and vibrant life as they age.

Focus Area	Outcomes	Objectives (continuous improvement)	Objective Commentary	Performance Measures	Targets	Strategic Initiatives
Physical Community ➤ Mobility ➤ Housing	Older adults remain mobile and have access to services through a variety of modes. Community design supports aging in place. <ul style="list-style-type: none"> • The transportation system is accessible, reliable, and safe. • Older adults have access to housing that meets their social, economic, & lifestyle needs. 	<ul style="list-style-type: none"> ✓ Increase transportation options ✓ Increase affordable housing 				
Workforce Development	Older adults have the skills, education and training necessary to have employment that contributes to financial
