Announcements/ Progress Updates

- DRCOG sent a letter on behalf of the AAAs to the Governors office regarding asking the State to increase expenditures for senior services for AAA
- Executive Committee has met again with Kevin Niemond and others to discuss the compilation of a comprehensive State budget on aging. There will be another meeting in early August.
- Members of the Executive Committee have reached out to several members of the legislature regarding the creation of a Colorado

Legislative Aging Caucus formation. There has been a very positive response. Jim and Karen will be following up with this.

Recommendations Updates

Next Steps

1. Regional Meeting input:
 - We need to provide a list of recommendation and collecting information (contact info and comments) on people who might be interested in them. Then be able to reach out to them as we move forward
2. What does SAPGA need to know?
 - Provide them a copy of the Spread sheet (Lisa will confirm with Sinergie)
