Participants: Jean Nofles, Dave Norman, Lisa Streisfeld, Kate Williams, George Maxey, Susan Maxfield, Michael Hite, Troy Larson, Zoe Devito, Jarett Hughes, Nicolai Shuman, Trish Fitzpatrick, and Travis Snellings

Action Items:

Policy Ideas:

- Support and expand older adult driving programs such as “Car Fit” and “Drive Smart”
- Create and support mobility ambassador programs to assist older adult in using public transit services
 - Older adult programming at public library focusing on public transit options
- Support organizations and encourage family/friends in planning and discussing when an older adult may need to restrict or stop driving
- Regional transit providers should provide free public transit for adults 65+
- Explore ride share and carpooling incentives for transit network providers (e.g., Uber, Lyft)
- Encourage privately funded transit shuttles from age-targeted communities/residences to major shopping stores or shopping centers (e.g., King Soopers, Target, Walmart, Belmar)
 - Perhaps a partnership between private business and city or county government
 - Encourage circular routes for multiple shopping destinations
- SAPGA should engage with Mobility Choice Blueprint as a representative for older Coloradans
- Monitor and evaluate the DRCOG carpooling voucher program
