

Strategic Action Planning Group on Aging

Education and Engagement Committee
February 27, 2019

Mission: The Engagement and Education (E&E) Committee will work with key stakeholders in order to share past and current work efforts and recommendations highlighted in the 2016 and 2018 Strategic Action Plan's on Aging. As work efforts and recommendations emerge from SAPGA's examination of issues related to health and wellness, the E&E Committee will incorporate into committee work as appropriate. Narrative change and addressing ageism are central to this work.

Desired Outcomes:

- Gather input on SAPGA slide deck
- Review strategic planning summary notes and, potentially, refine deliverables and quarterly actions
- Identify engagement opportunities for SAPGA members and administrator to inform groups about SAPGA and share updates on work efforts/recommendations
- Identify and invite potential committee members or organizations to assist in education and engagement (e.g. Co-CARE, Bell Policy, CCI, CML)
